Drori - Werzansky - Orland & Co. Attorneys at Law (A part of the Bressler Group)

THE FIRM This firm has developed an impressive reputation for its skills in patent filing and prosecution, and also has strong capabilities in IP litigation matters. The team's client roster has a certain international flavour, including Syngenta, Kodak and Honda, as well as a variety of local companies. Highlights include representing catering multinational Sbarro in a number of litigation matters.

Sources say: "The level of service from this firm is very high – they behave like part of the family, and view the client's work as their own. They also have a very high rate of success in submitting patents, and in dispute proceedings."

KEY INDIVIDUALS Eyal Bressler is the senior figure whose name draws many clients. Yonatan Drori and Yotam Werzansky Orland are the litigation partners.
